

## Brain Glioma & Normal TMA

Catalogue Number: ARY-HH0092

Lot Number: 001

Availability: By Order

Description: 70 cases of glioma (mostly astrocytoma) and 10 cases of normal or cancer-adjacent normal brain

Species: Human

Fixative: Formalin

Total Cores: 80

Layout: 10 x 8

Core Size: 1.5 mm

Section Thickness: 5 microns

Validation: Validated for Immunohistochemistry
